ANOTHER NEW RESORT BREAKS GROUND IN LAGOI BAY, BINTAN RESORTS

15 March 2012, Bintan, Indonesia – Fresh on the heels of Alila Villas Bintan project which broke ground in Lagoi Bay, Bintan in November 2011, a ground breaking ceremony was held for the Grand Lagoi project today.

The Grand Lagoi project is being undertaken by Medan based PT Stareast Sejahtera on a 10,000sqm site and is located metres away from the beautiful beachfront of Lagoi Bay and within the Lagoi Beach Village. This new development, which features a variety of entertainment options and banquet and meetings facilities, also includes a 196-room condotel which will be managed by Swiss-Belhotel International as “Swiss-Belhotel Lagoi Bay”.

Due to open early in 2014, the Grand Lagoi project will add another alluring holiday option for the almost half a million visitors who make Bintan Resorts their tropical island retreat and holiday destination annually.

The Grand Lagoi project is located in a recently master planned 1,300ha Lagoi Bay Development in the northern coast of Bintan. Centrally located within Lagoi Bay is the Lagoi Beach Village. This village, a mixed development with a landscaped pedestrian mall, other small resorts and boutique hotels, lifestyle shopping and a wide range of food and beverage outlets, is set to be the new “heart” of Bintan Resorts when completed progressively towards the end of this year and next.

BG (Ret) Chin Chow Yoon, Executive Chairman of Bintan Resorts International, said at the ground breaking ceremony: “The launch of the Grand Lagoi project is yet another milestone in the transformation of Bintan Resorts into an even more attractive tropical island destination and a twin

destination with Singapore. From here on, we will be busy announcing and launching one new development after another in Lagoi Bay, in the months ahead”.
